Sponsorship of 2019 Azusa Field of Glory U.S. Flag Display to Honor First Responders, Veterans, and Military Members the Week of 9/11

Dear Friends,

The Azusa Rotary Club and the Azusa Rotary Foundation, together with our valued partners, are pleased to announce that our inspirational 2019 Field of Glory U.S. Flag Display will be held from **Saturday, September 7 through Wednesday, September 11**, with over 500 U.S. flags displayed on the front lawn of Azusa City Hall in remembrance of 9/11 and to honor our community's first responders, veterans, and active military members for their courage and dedicated service.

To kick off our five-day flag display, sponsors and community members are invited to join us on Saturday, September 7 for our Opening Day events, including a Pancake Breakfast, an Opening Ceremony and First Responder exhibits.

Business sponsorships are key to the ongoing success of this popular community event so we can increase our support to community groups and programs that benefit veterans and provide life-enriching experiences for our youth. For our business sponsors that wish to honor employees or family members for their service, a dedication tag will be attached to each flag for sharing a personal message about the Honoree.

Our goal for the 2019 Field of Glory is \$20,000 in sponsorships and flag sales. Funds raised from the Field of Glory event will benefit the following veteran groups and youth programs:

- APU Military and Veterans Services
- Santa Anita YMCA Family Services
- Citrus College Veterans Success Center
- Shop with a Cop
- Rotary Youth Leadership Camps
- Case for Character (suitcases for foster children)
- Rotary 4-Way Ethics Speech Contest
- College Headed and Mighty Proud (C.H.A.M.P.) Program
- Our Neighborhood Homework House
- Azusa Parks and Recreation Youth Programs

Please join us in honoring all Armed Forces members and first responders, past and present, for their courageous and selfless service to our nation and communities.

Should you have any questions or need additional information, please feel free to contact me.

With sincere appreciation,

Rae Kearney
